Dear Jim:

As requested in your 26 May 1982 letter, I am enclosing a copy of my letter authorizing access to certain CIA-originated materials in the Johnson Library for Dr. William M. Hammond. As noted in the "CIA Access Policy Concerning Presidential Libraries" (revised 12 July 1977), we shall arrange for the review of any documents and notes that we receive from the library, and forward the released documents to Dr. Hammond as soon as the responsible components have completed this review.

Yours sincerely,

STAT
